

Business Litigation

From everyday contract disputes to bet-the-company litigation, Stoll Berne's litigation group has few equals when it comes to understanding the importance of protecting our client's business and employees. We specialize in finding creative, pre-litigation solutions to your thorniest business disputes.

We're One of Oregon's Most Tenacious and Respected Business Litigation Firms

Successful Outcomes in Many Industries

Whether through trial or settlement, we have obtained successful outcomes for various types of disputes across industries, including, but not limited to:

- Contract disputes
- Employment termination
- Non-competition covenants
- Non-solicitation agreements
- Confidentiality agreements
- Power supply contracts
- Financial fraud
- Real estate and construction
- Toxic torts
- Professional (accountant, lawyer, and business/professional consultant) malpractice
- Whistleblower

"[Your team's] tactics were clever and always found their mark. You were able to quickly recognize winning arguments and expand the advantage. The final [arbitrators'] decision and complete achievement of our objectives is, of course, the best illustration of the quality of your team." – Ronald Myhro and Howard Bode, Co-Managers of American Retail Services, LLC

We Are Consistently Ranked in Chambers USA, Best Lawyers, and Oregon Super Lawyers
