

Natural Resource Damage and Environmental Contamination

As Special Assistant Attorneys General for the State of Oregon, Stoll Berne attorneys [Keith Ketterling](#), [Yoona Park](#), and [Nadia Dahab](#) are currently working with Attorney General Ellen Rosenblum and attorneys from the Oregon Department of Justice to file claims against Monsanto seeking recovery for damage caused to Oregon's wildlife and environment by polychlorinated biphenyls (PCBs). The lawsuit, filed in Multnomah County, seeks over \$100 million in damages on behalf of the State.
