

Class Actions

We have earned our reputation as the leading plaintiffs' class actions firm in Oregon. We have litigated securities fraud class actions on behalf of investors. We have represented employees in class actions involving wage and hour claims. We have represented consumers in consumer protection class actions and in antitrust cases. We have represented injured people and businesses in environmental class actions. We have also represented health care providers seeking to recover proper reimbursement in class actions against insurance companies. Our class actions practice fights to level the playing field and find justice.
